

Lavanya Saini

Accomplished Industrial Designer specializing in Ceramic and Glass Design, holding a degree from the prestigious National Institute of Design (NID), Ahmedabad, India.

Recognized for a passion for crafting functionally aesthetic solutions, I actively seek projects that push the boundaries of my design capabilities. Eager to contribute my skills to endeavors that bring innovative ideas to life and offer unique challenges.

In addition to my design pursuits, I am an avid reader. I've also nurtured my entrepreneurial spirit by successfully launching 'The Clumsy Hands,' a self-initiated venture dedicated to hand-knit crochet products.

Experience

Ariane Fine Porcelain

Ceramic R&D Executive | March 2023 - Present

Guiding the department through comprehensive market research and trend analysis. Spearheading new product development initiatives and actively engaging in hands-on experimentation with glazes, applications, techniques, and treatments.

Ekibeki Association

Product & Graphic Designer | March 2022 - February 2023

Collaborated closely with artisan clusters specializing in extinct traditional Indian crafts, focusing on upskilling artisans, product development, and establishing market linkages.

Earth Tatva - Recycled Ceramics

Design Intern - Graduation Project | May 2021- November 2021

Championed sustainability values in the HoReCa sector by designing a set of tableware using recycled clay body. Played a pivotal role in setting up a ceramic studio.

Baarique

Design Intern | March 2021- April 2021

Conceived and executed a collection of teaware inspired by Mughal artifacts, seamlessly blending glass with copper.

Studio 78

Ceramic Studio Assistant | May 2019 - June 2019

Assisted Mrs. Meena Vohra at Studio 78, Noida, in various studio tasks, including teaching pottery and contributing to exhibit creations.
